

WELCOME TO CITIZENS BANK & TRUST

Citizens Bank & Trust has a history of serving our community, its people and its businesses. We are committed to enriching its customers and communities with premier financial services of great value.

While many of the larger banks seem to focus on bigger accounts and bigger fees, to us, our customers are more than names and numbers. They're people - people who have unique financial needs. People can count on us to go above and beyond on their behalf, regardless of how long they've been our customer or the size of their account.

From our retail bankers, tellers, lenders, president and everyone else, you'll find that kind of dedication with every transaction and every Citizen's employee. People helping people. Neighbors helping neighbors.

That's what it's all about.
